Re: Impact of the Coronavirus on Supply Chain

Dear Valued Customer:

Three D Metals, Inc. has received numerous inquiries from our customer base on the impact the Coronavirus in China and worldwide is having on our supply chain. We have conducted a careful review of our global material sources. There currently is no impact, nor do we anticipate any interruptions in our ability to supply product to you. We continue to monitor this dynamic situation closely and will keep you advised of any changes.

Please advise all within your organization to ensure awareness and do not hesitate to reach out to your contact if you have any questions or concerns regarding supply chain risks or related topics.
